

Figure skaters Linda Tasker and Allan Carson were happy to receive the Charles H. Cummings Trophy for Novice Pairs when they were declared Canadian Champions on Sunday, January 26.

Some Streetsville Firsts

(1) FIRST SETTLED

Streetsville was the first settled village in Peel County. Streetsville was surveyed in 1819 by Richard Bristol, with financial assistance from Timothy Samuel Street. From 1835-1855 Streetsville was the Queen of Peel County - the main business and cultural centre.

(2) FIRST BRICK HOUSE

The first brick house in Toronto Township was built on Main Street in Streetsville by Timothy Street in 1825.

(3) FIRST STORE

In 1821 John Barnhart started the first store and trading post dealing with both white men and Indians.

(4) FIRST POST OFFICE

The first Post office in Streetsville was established on January 1, 1829 under the postmastership of Israel Ransom.

(5) FIRST SCHOOL

The first school in Streetsville - a crude log cabin - was erected by the settlers in 1824, and served the community for a quarter of a century.

(6) FIRST CHURCH

It is understood that the first church (Presbyterian) was built in 1819 or 1820 on what is now Britannia Road East.

(7) FIRST NEWSPAPER

Streetsville had the first weekly newspaper (THE REVIEW) in Western Ontario between Toronto and Windsor. In 1846 The Weekly Review was started by John and Solomon Barnhart. In 1969 The Review is now 123 years old - and still going strong.

(8) FIRST GRAMMAR SCHOOL

Peel County's first grammar school was erected in Streetsville in 1851.

EDITOR'S NOTE

In view of the proposals made by Municipal Affairs Minister Darcy McKeough - we felt this would be a good time to start remembering a few of Streetsville's 'firsts'.

Ecumenical Services

St. Joseph's Church, Streetsville, was filled to capacity Sunday evening when people of all faiths gathered to worship together, bringing to a close a week of Ecumenical services. The first service was held at Trinity Anglican Church last Wednesday afternoon with Fr. McKenna speaking and outlining ways in which the churches could become closer.

The Friday evening service was held at St. Andrew's Presbyterian Church with Rev. David Busby preaching. Rev. Keith McMillan spoke at the Sunday evening service

bringing to a close a week of prayer for Christian unity among all churches.

P.O. rate hike

Well - those of you who have Post Office boxes - have received your little "billet-doux" from the Canada Post Office - or, if you wish Postes Canadiennes - saying that you're going to have to pay more money come February 19, effective that date, the annual rental fee for boxes will double.

District Governor Al Smith of Ancaster was the guest speaker for the Lions Club regular meeting on Thursday, January 23 at the United Church. Listening attentively are Secretary Roger Lillie, President Bill Cove, Dick Member and Immediate Past District Governor Howard Stewart.

WITHDRAWS RESIGNATION

The special meeting Monday night called specifically to deal with Mr. Arch's resignation only lasted a few minutes.

In a letter to Council, Deputy-Reeve Arch stated he is withdrawing his resignation "due to pressure from the citizens of Streetsville."

When the Mayor asked Solicitor

Ward Allen for his opinion, the solicitor stated that after some lengthy and expensive research on the law in similar cases, he feels Council can accept the Deputy-Reeve's withdrawal since his resignation had not been officially accepted by Council.

The Council acted accordingly and the meeting ended.

BIG TEN

Now its your turn

In recent issues the Review has been naming the men who deserve credit for Streetsville's lively sports programmes in 1968. We named nine men and this week we are giving you the opportunity to pick the man you feel should complete the big ten. We named the following - Cliff Armstrong, Jon Clipperton, Don Fletcher, Bob Iles, Stan Kalapaca, John MacPherson, Ben Petersen, Larry Sousa and John Tutty. Add to that imposing list the following names submitted by various readers -

BEV STRINGER

If you asked this man what offices he holds and in what sports organization, he would smile and maybe say "none". Yet it has been reported by no less than eight Review readers that this man belongs in ANY group of top men ANY year for his efforts for sports in Streetsville. We weren't aware of him many quiet, unassuming, unpublished contributions in almost every sport in Streetsville but those who have watched him have filed us in with a few details. The long list of his deeds would embarrass Bev but he should be informed that they have not gone unnoticed.

HATS OFF TO BEV STRINGER!

BRIAN ANDERSON

A hard-working member of (1) the Junior C Derby Hockey Executive, (2) the executive of the Streetsville Intermediate Hockey League, (3) manager of Wessan Plumbing softball team (4) coach of Canada Brick Truckers Bantam hockey team. These jobs were reported to us and there are probably more. He is the type of man who gets asked to be on executives because you can be sure of good job well done. For his efforts in 1968 -

HATS OFF TO BRIAN ANDERSON!

AL CRAWFORD

An active member of the local minor hockey activities, this man has contributed much to the success of local minor hockey with his active

participation and wise advice. He is the manager of the Tyke team this year which competes in the Second Annual Tyke Tournament. He was a faithful supporter of minor soccer last summer and put many miles on his car transporting the boys to games. Streetsville is fortunate to have a man of this calibre in its sports program.

HATS OFF TO AL CRAWFORD!

DOUG STRINGER

Captain of the Derbys in their first year of operation, this man is highly respected both among his peers and among older men. When hockey season was over he immediately plunged into a sport he had never played, soccer, to see how he could help get this sport, new to Streetsville, going. He learned fast and soon won the respect of the players and other coaches alike.

HATS OFF TO DOUG STRINGER!

BILL SNARR

The "father" of the Streetsville Tyke Tournament, this man has worked tirelessly and even though the tournament is only in its second year, it is anticipated that this will be one of the best attended sports events in Streetsville in 1969. He has been a valuable asset to Minor Hockey helping in many ways, always making his assignments successful, while at the same time being ready with sound counsel for others.

HATS OFF TO BILL SNARR!

GEORGE FERGUSON

Everybody likes this man. He's the kind of personality an organization needs - faithful, hard-working, but with a sense of humour that keeps the organization running smoothly. He is one of the original founders of the local Derby Junior C's and has worked hard on its executive. The Derbys have had some rough going this winter and cheerful, optimistic George has been an invaluable man to have around. They say no one has done more for the Derbys than George.

HATS OFF TO GEORGE FERGUSON!

District Governor visits Lions

On Thursday evening, January 23 the Streetsville Lions held their regular meeting in the Streetsville United Church Hall. Guest speaker Governor Al Smith of District A-11 was making his annual visit to the club.

Governor Smith who is a member of the Ancaster Lions, joined that club in 1954. He has served as Director, Secretary and President as well as serving on most of the Committees. In 1965, due to a move to the Toronto area, Governor Al transferred to the Erindale Lions Club and then returned to Ancaster in 1966.

A.C.W. Luncheon

All ladies of Trinity Anglican Parish are invited to a Pre-Lenten Luncheon in Trinity Church, Streetsville at 12.45 p.m. on Tuesday, February 4.

Baby-sitting is provided. There is no charge for the luncheon which is being sponsored by the Anglican Church Women.

An interesting guest speaker, Mrs. C. Walsh of the Supply Department, Diocesan Centre, Toronto will explain the packing of toys, clothing and other necessities which are shipped to the Western Arctic every year.

If you wish to attend, call Mrs. Anne Humphreys 826-2434 or Mrs. Irene Gray 826-2514 before January 31.

Excellent Results

Congratulations to the following students of Miss Sheila Thompson who have obtained excellent results in their recent examinations at the Royal Conservatory of Music, Toronto:

Grade 4 Piano - Lynn Bentley (Honours)
Grade 2 Piano - Arlene Dymont (1st Class Honours)
- Anne McAllister (1st Class Honours)
Grade 1 Piano - Susan Leo (Honours)

Today's thought

One human trait that puzzles me - And I've no cause to doubt it - is how the folks who know the least can be so fluent about it.

Reeve Hazel McCallion and Mayor J. J. Graham, Q.C., are shown with Peel County Warden Nance Horwood following Mrs. Horwood's recent election to the County of Peel's highest office last week. Photos by AL BETTS

Skating turnout disappointing

The Thursday night Adult Skating attendance has been a disappointment for those who have worked to procure this night for pleasure skating.

With so many enquiring previous to the setting aside of this time by the Arena Committee it was expected that attendance would be much greater when time was made available.

To assure this same time will be made available in next year's arena programme, there will have

to be more attendance and interest shown for the remaining Thursday nights this season.

Once again - the time is 9 to 10.30 p.m. So come one - come all - If you can skate you can enjoy Thursday night skating at the Streetsville Arena.

Dinner and Annual meet

The Congregational Dinner and Annual Meeting of Streetsville United Church will be held tonight (Wednesday) January 29.

The Pot Luck Supper will begin at 6.30 followed by the Annual Meeting at 8.00 p.m.

Next Sunday, February 2 will be Youth Sunday at Streetsville United Church. The members of Explorers, C.G.I.T., Cubs, Scouts and Venturers will attend the service in a body dressed in their uniforms.

Dr. Robert McClure, Moderator of the United Church, will speak in Grace United Church, Brampton, on Sunday, February 2 at 7.30 p.m.

PORTOAKAUGAVILLE What's in a name

"Hello, operator? I would like the phone number of the new Regional offices, please."

Operator: "For which County, madam?"

"Portoakaugaville."

Operator: "And where is that Madam?"

"Well, it's in AREA 1."

Operator: "Just a moment please, I'll check with the supervisor."

"Thank you."

Operator: "I'm sorry madam, but I can't find it. Are you sure there is such a place?"

"Sure, I'm sure. We just had an election a few weeks ago and the name is PORTOAKAUGAVILLE."

Operator: "Just a moment, I'll check with the supervisor of supervisors."

"Thank you."

Operator: "Hello, madam. I don't have all the information you require.

But what I have may be of some help. First you have to call the operator at 274- , and ask her to give you the 277-278 division. After that, division 822 and 826- (we've amalgamated them) and the senior supervisor there will put you through to Queen's Park who will give you the correct local. They have taken over everything, you know, even the Bell."

"They sure have!"

It wasn't all dancing at the Lionettes Chalet Party Saturday, January 25 in the Streetsville Arena Hall. During intermission the dancers appropriately dressed joined in a lively sing-song.

"A Place to Stand" At Winter Carnival

"A Place to Stand", the award-winning film produced for the Ontario government for showing at Expo '67, is included in the film festival on Saturday, February 8 at the beautiful Huron Park Theatre. Cartoons, the Stanley Cup, and the Calgary Stampede will be included in the two shows at 1.00 and 3.00 p.m. Admission is only 25¢ per person.

The Mississauga Winter Carnival opens at Huron Park on Friday, February 7 with a family skating party at 7.15 p.m. in the arena. Deputy-Reeve Roy McMillan will officially open the carnival at 9.00 p.m. and teen skating party will continue until 11.30 p.m. The baton twirlers will perform at 8.45 p.m.

On Saturday, February 8, there will be activity both indoors and outside at Huron Park. At 12 noon in the arena, boys from 6 - 14 years of age are invited to participate in the puck shooting contests for accuracy and speed.

At 12.30 and 1.30 p.m. 20-lap and 10-lap open races will be held. Everyone is invited to participate. Obstacle races for 8 - 4 year olds will be held at 12.45 p.m. in the arena. From 2.15 to 3.30 p.m. the entire family is invited to skate in the arena.

Meanwhile, there will be many exciting features outdoors. At 2.00 p.m. the ice sculptures and chariots will be judged. The second-

ary school tug-o-war and logsawing competitions will be held at 3.00 and 4.00 p.m. respectively. From 1.00 - 5.00 p.m. everyone will be able to have snowmobile rides and horse-drawn cutter rides for only 25¢ per person. There will be giant bonfires and picnic tables for hardy outdoor types. The Rovers will be flipping and selling flapjacks.

Several teams of Siberian Husky Dogs will race and perform in weight pulling contests commencing at 1.45. On Saturday evening, the Carnival concludes in the arena commencing at 6.40 p.m. with musical entertainment by the Clarkson Lions' Drum and Bugle Corps. Admission is \$1.00 per student and \$1.50 per adult.

Remaining events for the second-ary school competitions commence at 7.00 p.m. with the relay races. The cheerleaders compete at 7.30 p.m. and the finale features the fabulous chariot races at 8.30 p.m.

Mayor Robert W. Speck of Mississauga will present his trophy at 9.15 p.m. to the secondary school which has accumulated the most points on the day's events. From 10.00 to 11.30 p.m. a teen dance will be held on the ice surface.

The public is advised to arrive early for the events of their choice as unprecedented crowds are expected to attend. Don't forget your costume Friday night. The theme: "CANADA'S LARGEST TOWN".

W.I. to buy Library Books

Forty members attended the Streetsville Women's Institute meeting which was held in the Choir room of the United Church. Mrs. Edith Noble was welcomed as a new member.

Miss E. Hoople was in charge of the programme on resolutions. The roll call was answered by stating "The farthest away from home I have ever been."

Mrs. A. Couse spoke on Current Events and gave interesting news on the historic voyage of Apollo 8. She also gave fashion news, and local news of Streetsville and area.

During the business part of the meeting Mrs. Pleyes and Mrs. Tolton were named as a committee to consult with the librarian of Streetsville Library about purchasing books for the library.

A resolution was drafted to be presented to Council asking that better transportation be considered for Streetsville.

Miss Hoople introduced Mrs. Roy Westlake, provincial board member, as guest speaker. The Institute members were greatly privileged to have such a charming and vivacious speaker. Mrs. Westlake

reviewed some of the resolutions made by different branches of the Institute that had reached provincial level such as the standardizing of sizes of children's garments. Mrs. M. Brocklebank thanked Mrs. Westlake for a very interesting talk. A sing song with Mrs. H. I. Burns at the piano was enjoyed by all. Lunch was served by E. Trimble A. Couse, V. Finley, E. Hoople and A. Crozier.

The next meeting will be in the United Church.

Still Tentative

Doug Kennedy MPP Peel South thinks that Darcy McKeough's plan for Regional Government is quite an imaginative proposal.

"It is certainly deserving of a further study and I want to meet with the Municipalities after they (and I) have had a chance to peruse it more carefully."

Mr. Kennedy mentioned too, that it was Mr. McKeough's proposal "not the Government's" - and that it is still tentative, subject to approval in the Legislature, after all municipalities have had a chance to sit down and discuss it."

Board Studies E.T.V.

A meeting of the Dufferin-Peel County Roman Catholic separate School Board was held on Tuesday, January 7 at 7.30 p.m. in the Board Office, 1364 Dundas St. E., Mississauga. R. E. LeMay opened the meeting. In his opening remarks Mr. LeMay stressed the responsibility each member of the Board must assume in order to carry out the functions of the Board. A general philosophy of Education for the Board was presented. Essentially the philosophy encourages equal education opportunity and facilities for all students in a Catholic Christian learning environment.

Terms of reference for the "ad hoc" Committee on Catholic High Schools were established. This Committee was set under the chairmanship of Trustee, Alf Thompson, and is to report and make recommendations on the desirability and cost of educating students in Grades 9 and 10.

R. A. Wood took on the chairmanship of the "ad hoc" Committee to study contracts and pensions for non-academic employees. Other Trustees to work with Mr. Wood will be G. V. Duggan, C. A. Bryant, and G. C. James. G. R. Meehan will be Chairman of the "ad hoc" Committee for Teachers' Salary Committee. M. P. O'Kelly, J. D. McCallum and A. S. Bator will work on the Salary Committee with Mr. Meehan.

The Board decided to become a sustaining member of the Educational Television in Metro Toronto.

E. J. Sommerville was appointed by the Board to sit on the Mississauga Traffic Safety Committee and A. Barney Gallant was appointed the Board's member on the Mississauga Library Board. Robert T. DeCourcy and Peter B. Ward were appointed as Separate School representatives on the Brampton Library Board and Gordon Clark on the Chingus-cousy Library Board.

The Board members decided to invite the two Trustees, Dr. Peter Bolland and Dr. M. Barry, representing Separate School supporters on the Board of Education for the County of Peel, to attend two special meetings per year in which matters of mutual concern could be discussed.

The appointment of James Cregg as Assistant Superintendent was confirmed by the Board. Mr. Cregg was formerly Director of Special Education with the Metropolitan Separate School Board.

A suggested building programme of over \$3,000,000.00 was discussed. Final approval will be given at the next meeting, to be held on Tuesday, January 28, 1969.

Revised financial arrangements for Senior Citizen projects

A new financial arrangement which will inject thousands of dollars of tax revenue into municipalities having Ontario Housing Corporation senior citizen projects was announced recently by Hon. Stanley J. Randall.

Mr. Randall, Minister responsible for OHC, said the revised financial arrangement will place senior citizen projects on the same basis as family housing projects - that is, the municipality will be paid grants in lieu of taxes which are equal to full normal taxes and it will contribute 7.5 per cent of any losses incurred by OHC.

Previously, all realty taxes on senior citizen projects in excess of \$25 per suite per annum were waived by the municipality.

Novice Pairs Champion of Canada to skate in Streetsville

Allen Carson 17, and Linda Tasker 15, of the Oakville Skating Club won the Novice Pairs title at the Toronto Cricket Skating and Curling Club. Students at Streetsville Secondary School, their ambition is to teach figure skating.

Linda has skated seven years and is working on her eighth figure. Allen has skated five years and is working on his sixth figure. Skating in a field of eight, they were picked first by five of the seven judges, second by one and third by another at the competition held recently. They won the Charles H. Cummings trophy and on January 11 they won the Central Ontario Championship in Aurora. They skated at Toronto City Hall on Monday and in March they will attend the Niagara Invitational in Buffalo. They are also skating with the N.H.L. Oldtimers at Streetsville Arena, February 2 at 2:00 o'clock. They will also be skating in three Winter Carnivals - Brampton, Credit Valley and Oakville. Louis Strong is the instructor who has helped these young people achieve such high performance.

Since OHC began in mid-1964, it has developed a senior citizen program which has resulted in 1,644 units now under administration and 4,804 under construction or development.

Mr. Randall estimated the average net increase in tax revenue per unit per year would be about \$100 or, based on the present program of 6,448 units, an increase in revenue of more than \$600,000 per year for the municipalities after their share of the operating losses is paid.

The Minister said the new arrangement has been approved by both the provincial cabinet and Central Mortgage and Housing Corporation. Approvals from both bodies were required as Ottawa pays 50 per cent of any subsidy and the province 42.5 per cent.

Existing agreements for the development and operation of senior citizen projects will be amended to reflect the new financial arrangement and all new agreements entered into by OHC will be on this revised basis.

Mr. Randall said it is expected the existing agreements will be amended in sufficient time so that the 1969 tax grants from OHC to municipalities will reflect the change.

Following is an ex-

ample based on the average costs and taxes for a municipality having 100 senior citizen units.

The municipal share of the subsidy on this project, which would be 7.5 per cent of the total operating loss of \$720 per unit per annum, would be \$54 per unit per year for a total of \$5,400.

A typical tax grant to the municipality

would be \$180 per year per unit or \$18,000.

Under the old arrangement the municipality forgave \$155 per unit per year (\$180 less \$25 tax grant) or an annual total of \$15,500 tax revenue.

With the new financial base the cost to the municipality is \$5,400. But it would stand to gain increased tax revenue of \$15,500. The net gain to the municipality

is then \$101 (\$155 less \$54) or for 100 units it would be \$10,100 per year. Over the 50 year life-time of the agreement this would represent \$505,000 if taxes and subsidy remained constant.

ANYONE FOR SKIING THIS WEEKEND?

There are excellent skiing facilities for all classes of skiers at the Albion Hills conservation area where a ski tow is in operation from 10 a.m. to sundown on weekends and holidays, weather permitting. Right now, there is plenty of snow on the slopes in the area, and Albion Hills has become a very popular ski centre.

The Albion Hills area is located five miles north of Bolton on #50 highway. It is one of seven conservation areas open during the winter months for public recreation by the Metropolitan Toronto and Region Conservation Authority.

In addition to skiing, other facilities at Albion Hills include sledding, tobogganing, snowmobile trails, group camping by permit, refreshment facilities, picnic tables and barbecues. A new ropeway will be operating on weekends and holidays.

BRUCE'S MILL - two miles east of Don Mills road on the Gormley - Stouffville road - skiing for children and beginners, sledding and tobogganing on small hills, skating, group camping by permit, refreshment facilities, nature trail, picnic tables and barbecues, heated shelter.

COLD CREEK - two miles north of the King sideroad on the 10th concession of King Township - skiing for children and beginners, sledding and toboggan-

ing, trap shooting and rifle range, club house by permit, picnic tables and barbecues, group camping by permit, and snowmobile trails.

GREENWOOD - located three miles north of #2 highway on the Greenwood road - skiing for children and beginners, sledding and tobogganing, skating, nature trail picnic tables and barbecues, group camping by permit and snowmobile trails.

HEART LAKE - five miles north of Highway #7 at east limits of Brampton - skiing for children and beginners, sledding and tobogganing on medium hills, skating, heated shelter, refreshment facilities, picnic tables and barbecues, nature trail, group camping by permit.

Continuing low temperatures bring thousands of winter sport seekers into the seven conservation areas opened to the public during the winter by the Metropolitan Toronto and Region Conservation Authority. The scenes here depict

some of the winter-time pleasures to be enjoyed at such areas as Black Creek, Heart Lake, Albion Hills, Bruce's Mill, Boyd, Cold Creek and Greenwood, all of which are located within a 20-mile range of Toronto.

PUBLIC LECTURES AT ERINDALE COLLEGE

Two lectures will be presented to the public at Erindale College under the sponsorship of the University of Toronto and the Royal Canadian Institute.

"Hunting Fossils for The Royal Ontario Museum" will be given by Dr. Gordon Edmund of the Royal Ontario Museum on January 30.

Dr. Walter Tovell will speak on "The Niagara Escarpment - A Monument To Time" on February 6.

Both lectures will be held at 8 o'clock in Room 248 at the College and refreshments will be served after.

ERINDALE COLLEGE NEWS ITEMS

An extension to the Erindale College has been authorized by the Department of University Affairs and will be ready early in 1970. The addition of 42,000 sq. ft. will nearly double the area of the College and will include the addition of two large

lecture rooms, twelve seminar rooms, faculty offices, a snack bar and faculty common room. The library is to be approximately doubled.

Cafeteria on Sunday, Community - the Next February 16 at 3:00 p.m. The tonic will be "Erindale College and the

Ten Years" and should be of interest to many residents.

NEW POSITION

The College Library will be open between 10 a.m. and 5 p.m. every Saturday until further notice.

The Associates of Erindale announce that an open meeting will be held in the College

John Gillies - who for the past fourteen years - has capably represented the Globe and Mail as its "eyes and ears" - as a reporter - photographer in Peel County, is moving on to another field of endeavor.

Mr. Gillies, who lives in Mississauga, takes over a new position this week as Press Liaison Officer for the Information Branch of the Ontario Department of Education.

Sunday evening January 19 a Tri-Scout meeting was held in the Streetsville United Church auditorium. Chairman Bruce Aury outlined the plans and the preparations now going on for the Streetsville Scouters combined celebration of the Baden Powell week in February. AL BETTS Photo

STREETSVILLE ATHLETE
OF THE WEEK

GLENN LEEDHAM

It has been a trying year for the coach and management of the Maple Lodge Farm midget team in the Tri-County League. The team has collected only two wins in eighteen games. Against Milton early in the season the team had to play hard to come within ten goals. But the boys never stopped trying. They haven't heard of the word "discouraged". They went out to play their first game of the playoffs Monday night and didn't give the powerful Milton team an inch without a battle. The startled Milton team did finally win 4-2 but they must have been relieved when it was all over. Typifying several of the players on this team, we have chosen as Athlete of the Week, Glenn Leedham, the captain of the team. He exemplifies the spirit of these boys - never give up, there's always hope, give it your best. This is the spirit that makes sport what it is. Anybody can be a good winner but it takes courage to keep trying against heavy odds. With spirit like that shown by Glenn, this team could well be a winner yet and we wish the midgets all the best in their second game of the playoffs.

Fifteen year old Glenn is a first year midget and is in grade 10 at Streetsville High where he also played football in the fall.

TOURNAMENT HOCKEY

Streetsville's Atom rep team, sponsored by Springfield Electric, played in their first tournament at Port Credit last Saturday and turned in a fine performance. They tied Port Credit 1-1, then lost to Long Branch. Peter Reid from Wayne Flood and Keith Norris got the Streetsville goal in the first game while it was Reid from Flood and Jim Rowe getting the only goal in the second game. Others rating honourable mention are goalkeeper Doug Elliot, Dave Crawford, Mark Odd and Teddy Lyons.

JUNIOR 'C' DERBYS

As a team the Streetsville Derbys haven't had a winning year. In fact they are virtually eliminated from the playoffs after losing to Richmond Hill at home 9-3 and at Oakville 3-2.

One fact stands out however that deserves the attention of all local hockey fans. The player who has scored more goals this season than any other player in the Junior C Suburban Hockey League plays for the Streetsville Derbys. Recent statistics show that Bill Perks of the Derbys has 36 goals in regular league play, four more than his nearest rival who plays for the high-scoring Lindsay club. Bill had a busy week even though his team didn't win. He scored all five of the Derby goals which gave him a hat-trick in the Richmond Hill game and two more in the tight loss to Oakville.

Before his layoff, Bruce Kalapaca was up with the league leaders in points too, so the Derbys have something to boast. Maybe with the pressure off now the team will upset some of the top teams in the league. Don't be too surprised if they do. This team has outplayed every other team in the league in one or more games this winter and could come through with some of the wins they deserve in the closing games of the schedule. Derbys play back-to-back games against Thornhill, here next Tuesday and away on Wednesday.

STREETSVILLE-MEADOWVALE HOCKEY LEAGUE

The last undefeated team fell from its lofty perch last week so not a single team made it through the schedule without tasting defeat at least once. On the other end of standings, not a single team has less than four points which indicates a good balance in the Streetsville-Meadowdale Hockey Association teams this winter. In last week's games three shutouts were recorded and only one player, Doug Payne, got a hat trick.

NOVICE

Doug Payne's hat-trick and Ricky Very's single led Canada Brick to a 4-1 win. Ronny Hubbard drew one assist while Terry Anderson scored for losing Canadian Tire assisted by Roger Mazerolla.

Reid Milling was the last team in Streetsville to lose when they were upset in a 3-0 shutout by Kerr Flooring and their goalie Brad Kack. Goals were scored by Dan Goheen (who also had an assist), Rick Isalins and Joe Falba.

Dominion Sash and Lions Club tied 1-1 on a goal by Derek West from Craig McIsaac and Chris Perras and one by Frank Araujo from Steve Wicklum.

PAPERWEIGHT

Elder Packing clinched first place by winning 3-1 on goals by Brian Anderson, Joe Cook and Ron Ledoux. Assists were made by Cook, Ledoux, Geoff Blackwell, Richard Hughes and Ross Carkner. The losing Streetsville Flyers' goal was by Larry Metcalf assisted by Gregory Osbourne. Streetsville Pharmacy and their substitute goal-tender Mike Kalapaca shut out Moore Electric 2-0. Jeffery Wright and Gary MacRae scored the goals.

PEEWEE

Kiwans moved into first place all alone in the Pee wee division on the strength of a 4-1 win over Kinsmen Club. Glen Mullally had two goals and an assist while Gord Bonham and Mike Thomson scored the others. Kinsmen's goal was by Doug Tibbets from Tony Panacci.

Atkinson Insurance upset Maple Lodge Farm and dropped them into second place. Mark Reid got two and Adrian Lazenby, Peter Beckett and John Medeiros one each in the 5-2 win. Terry McMann collected three assists while Steve Perla and Beckett got one each. Peter Lockwood had a goal and assist for the losers with Karl Lechler scoring the other one.

Consumers Gas blasted Hoy's Cafe 5-1. Shayne Liberty was the biggest scorer as he led the way with two goals and two assists. Tom Gordon had a goal and two assists; Dan Arseneault one goal and one assist, and Tom Kinder a goal and Mike Cormier an assist.

BANTAM

Canadian Legion assured themselves of first place by winning 3-2. Kim Flowers, Ed Pimentel and Bill Merkley scored for Coach Ken Whetham's crew who have lost only once all year. Losing Robinson's Pharmacy got goals from Don Harpley and Bob McDonnell.

Rotary Club clinched second by turning back Long's Service Centre on two goals by Mike Goheen. Andy Miller scored for Long's in their 2-1 loss. Goalie Mike Podger of Canada Brick Truckers got his first shutout. Fred Rutledge scored the only goal of the game as his team won 1-0 over Pemrow Pine Lines.

WOMAN'S WORLD
OF SELF IMPROVEMENT

A new recreational course is being offered on Tuesday nights at Huron Park Recreation Centre, commencing February 4, bringing new ideas to the women of Mississauga and providing an opportunity for some physical activity and a chance to make some new friends.

The evening program will start at 7.45 p.m. in the Little Theatre, and will include a food demonstration by Ida Burns, Associates entitled "Being a Gracious Hostess". Simplicity Patterns Ltd. are sending a speaker on "The Designer's Touch", Giovanni & Piero Hair-stylists will have a showing of wigs and the latest hair styles. A talk

by a lawyer and by a representative of the Police Department, a "Flower Arranging" and "Boutique Arts" demonstration.

At 9.00 p.m., the ladies will have a choice of a swim in the pool, ice skating in the arena or playing cards in the Navaho Room. Last term some of the husbands came up to Huron Park and joined in the swimming and the skating.

The fee for this 7 week course is \$7.50, and may be sent to the Recreation and Parks Department or to Huron Park Recreation Centre, Registration is limited, so anyone interested should enrol as soon as possible.

For further information phone the Recreation and Parks Department, 279-7600, Extension 281.

Modern Jazz for Teens

There are a few openings left for girls interested in joining a most enjoyable and beneficial activity. If you are between the ages of 8 and 16 and feel you need an exercise programme to get into shape, or you have had ballet training and would like to put it to use or you just like to move to music, you are invited by the Recreation and Parks Department to enrol in the courses commencing at Hillsdale and A.A. Martin Senior Public Schools. The classes

held every Saturday, are an hour long and cost \$10.00 for 14 weeks. There are many boys that would enjoy learning to dance Modern Jazz. Miss Joanne Montgomery, a conscientious and patient teacher is very highly thought of by all her pupils. She is studying at Ryerson Institute, preparing herself for the theatrical world.

For further information please phone Recreation and Parks Department 279-7600, Extension 281.

Slim & trim for women

Now is the time to join a fitness class and get into shape before bathing suit weather arrives! Mrs. Geri Kemble will be back at T. L. Kennedy Secondary School Tuesday evenings from 8.00 to 10.00 p.m. commencing February 4 for 10 weeks, putting the ladies through their paces. Mrs. Kemble's classes emphasizing rhythmic exercises are most enjoyable and beneficial, especially for the girls who have put on a little weight during the holiday festivities. After an hour of "shaping up", accompanied on the piano by Mrs. Grace Galvin of Malton, the participants will have a choice of playing badminton, basketball, volleyball, dancing or gymnastics.

In the Lorne Park Secondary School gym on Wednesday nights, the ladies will be doing rhythmic exercises under the leadership of Mrs. Mattie Milne, an instructor well known in the area for her work with the children's rhythmic gym classes.

These classes are from 8.15 to 9.15 p.m. commencing February 5 for 10 weeks. For further information please phone the Recreation and Parks Department, 279-7600, ext. 281.

Mainly about PEOPLE

by IRENE GABON

Polish Alliance Holds Successful Dance

The Polish Alliance Branch Number 26 in Mississauga, an organization made up largely of people of Polish descent, held a very successful 'Snowball Romp' last Friday evening at the Port Credit Legion Hall.

Over 250 guests danced the polka, the waltz and the tango to the music of Mitch Zaleski and his orchestra, until the wee hours of the morning. Special guests at the "do" were Caye and Peter Killaby, Mr. and Mrs. Harold Kennedy, representing Mississauga Council. Mayor Bob Soeck was unable to attend and sent a telegram to the Alliance wishing them every success in this and all their future endeavours. Mr. and Mrs. R. Doug Kennedy were there, as were Mr. and Mrs. Hyland Chappell.

It was the second time around at a Polish function for the Chappells. Prior to his election in June, Mr. Chappell attended a dance sponsored by the alliance, and he enjoyed himself so much he wanted to be invited again. "I must have more practice in dancing the Polka," he said at the time. "All kidding aside, Chappell is an excellent dancer who can master anything he attempts. He spent part of the evening giving this writer rumba lessons. 'It's all in the hips.'"

Caye and Peter Killaby had a ball. "The people are so friendly and so happy," Caye said. Paul Hellyer who was invited to attend, called from Ottawa on Friday to say he had the flu. Prior to the intermission entertainment, the White Eagle dance group under the direction of Paul Dubicki, performed the Polonaise. The dance, centuries old, and quite customary in all European countries, features the military young men and their ladies in the "opening dance". The

young people who compose this group are all high school students from Toronto, who meet regularly to share common Polish interests. They are sponsored by Branch No. 1 in Toronto. They are most energetic and display their talents as well as any professional group.

Following the Polonaise, several of the young dancers approached the guest table and invited the Killabys, Kennedys and Chappells to join in the Polonaise. They were followed by most of the remaining guests. Such choreography!

At intermission, Mr. Henry Lopinski, president of the Polish Alliance welcomed all the guests and introduced the special guests. Since this was a social evening, none of the special guests were asked to make speeches. However, I did notice that many people approached the Kennedys, Chappells and Killabys just to say "hello." Polish people are like that - warm and friendly.

Mr. Lopinski then introduced to the guests, Mississauga's candidate for the 1969 Miss Polonia Contest. She is Miss Linda Ross, a student at St. Joseph's High School in Islington.

Each year a candidate from the youth group in each Polish Alliance Branch (and there are 62 across Canada) is selected by that group to represent them at the annual Miss Polonia Ball held at the Club Kingsway in May. Last year, Mississauga selected Joanne Karcz of Denise Drive who put Mississauga on the Polish map by becoming Miss Polonia. She won the title over 14 finalists at the Ball.

Miss Ross is also a member of the White Eagle dance group and she showed last Friday night that not only is she pretty, but she is exceptionally talented as well. She was the only soloist

in the programme and danced the Bialy Mazur. Following her solo, the dance group performed the Mountaineers dance featuring leaps over the mountaineers campfire. It was well done! Hyl Chappell congratulated the young dancers and wished them success in maintaining their Polish culture.

Doug Kennedy was quite impressed with their talents and wanted to wish the group much

success in their plans to tour Europe this summer.

It was a most successful dance. Its success being rated on the reactions of the guests. The Alliance will be holding their next dance on Friday, April 25 at the Legion Hall. This one will feature another aspect of Polish culture - Food! It will be a Buffet - Supper dance, similar to the Pot Luck dinner.

AN EXERCISE IN FRUSTRATION

In the past two weeks I have had to call Queen's Park regarding the Regional Government plans for Peel Halton.

The first series of calls involved a press release from Darcy McKeough's department, announcing that he would meet with all Municipal officials on Wednesday, January 21.

My purpose for placing the call was to find out if the Press were invited, and if not, why not.

It took all over 45 minutes to reach Jim Manne P.R. for the Department of Municipal Affairs. Now don't get me wrong - I am not criticizing the employees at Queen's Park - I am, however, criticizing their un-informed-ness (if there is such a word) when I or other people are calling for information. I think I spoke with five different departments, and then finally was put through to Manne's office. The number one problem was settled. The Press certainly would be most welcome in this regard - our "thank you" to M.P.P. Doug Kennedy for his efforts on our behalf.

Today (Friday) I sat at the typewriter figuring out an editorial on Regional Government. It was to be called "Too Much Too Soon." It was to deal with a comparison of square miles in Toronto, Peel-Halton, Welland - Lincoln, Ottawa Carleton and Oshawa - Pickering counties. I was going to write that it might be better for Mississauga (the 2nd of the four - it is four times the size of Metro in square miles) to break this up into two stages, as Mayor Soeck suggested last Wednesday. Midway through the article, I needed to know how many square miles were in each County. And so, "once-bitten but try again, anyway" I called Manne's office. He was out of town. His secretary asked me if she could help, then put me through to Mrs. Spencer who put me through to Mr. Farrow, who put me through to Mr. Walker. All this took 37 minutes of talking, holding on until my frustration got the better of me, and I hung up.

I still don't know how many square miles are in Lincoln-Welland or in Oshawa Pickering. As one of the people I spoke with said "It's confidential information."

And so, the editorial may never be written. I can always wait and read about it in the Globe & Mail.

LOCAL COUPLE
WIN MCCAIN
FREE
JAMAICA TRIP

Dixie Arena Manager, Clifford Jenkins had a big smile for his wife Enid last week when she was presented with two Air Canada tickets to Jamaica, courtesy of McCain Foods Limited. The Jenkins live on Palastain Road in Cooksville. Making the presentation is "Mary McCain" of radio station CHFI, who broadcasts her Best Buy tips over that station every Wednesday, Thursday and Friday. Mrs. Jenkins often uses

McCain frozen foods and when she heard "Mary McCain" talking about the contest recently, she was just taking McCain Brussels Sprouts and Potato Puffs out of the freezer for dinner. She mailed the labels that night and found that she had won just four days later. Every month "Mary McCain" has a new contest for a free flight to some exotic Caribbean island.

Brampton Presbyterian W.M.S.

Brampton Presbyterian W.M.S. held its third annual meeting in Clarkson Road Presbyterian Church, Clarkson on January 22.

Mrs. A. L. Coxhead, president, chaired the meeting. Morning devotions on faith were given by Streetsville W.M.S. The various secretaries gave their reports. Mrs. J. McFarlane, Synodical President installed the officers for 1969. After a delicious lunch served by the ladies of Clarkson Road Church, greetings were extended to the W.M.S. by the Moderator Rev. Jackson, Rev. E. Dutcher of Clarkson and Mrs. J. McFarlane, Synodical President.

Afternoon devotions were given by Rev. E. Dutcher. Mrs. E. J. Brown, 1st Vice President introduced Mrs. W. E. McCutcheon who gave a very interesting talk on the place of prayer and faith in daily living.

Mrs. Coxhead presided over the new business and Rev. Dutcher gave the benediction.

Officers for 1969 are as follows:
Past President - Mrs.

V. Norris, Campbellville, President - Mrs. A. L. Coxhead, Clarkson; 1st Vice President - Mrs. E. J. Brown, Erin; 2nd Vice President - Mrs. Harold Reed, Brampton; Corresponding Secretary - Mrs. J. L. Young, Terra Cotta; Recording Secretary - Mrs. J. R. McCracken, Brampton; Treasurer - Mrs. W. Weber, Cooksville; Secretaries: Afternoon Groups - Mrs. F. Gamble, Waldemar; Evening Groups - Mrs. A. Black, Grand Valley; Girls' Groups - Mrs. V. Norris, Campbellville; Children's Groups - Mrs. L. Whetstone, Glad Tidings - Mrs. C. W. McDonald, Streetsville; Friendship and Service - Mrs. J. McNeilly, Orangeville; Home Helpers - Mrs. J. H. Weylle, Grand Valley; Supply - Mrs. C. T. Agar, Nashville; Literature - Mrs. Wm. Geggie, Georgetown; Life Membership - Mrs. C. Anderson, Terra Cotta; Historian - Mrs. F. L. Thompson, Brampton; Press - Mrs. J. M. McClure, Norval; Regional Secretary - Miss Lois Powrie, Toronto.

Clarkson Youth Shot in knee by Metro P.C.

The Electric Circus, a newly opened night spot at Queen and Church Streets, was the scene of a shooting last Friday evening.

Kai Saxell, 19, of Thetford Drive, Clarkson, was arrested in a station wagon after a cross-town chase by Constable Terrence O'Neill.

The youth is in Toronto General Hospital and knee. A police car has been charged with possession of a dangerous weapon - a knife. Spadina and the suspect

The Constable said he was arrested, found the youth behind the Electric Circus. Adamson said that Constable O'Neill was just questioning and that the youth "Don't come any closer, copper."

Constable O'Neill said there was an indication in his report that the suspect was young man had some-armed. thing in his hand when he made the threat, which appeared to be a gun. O'Neill then fired

a warning shot at the running youth and when he failed to stop a second shot was fired, aiming at the leg. Horst, Peter of Peterborough Ave. Toronto, told the police later that a man got into his station wagon and ordered him to "drive to the nearest hospital." Horst said that the man beside him was bleeding from the forced the station wagon to stop at Queen and Spadina and the suspect was arrested.

Deputy Chief Harold Adamson said that Constable O'Neill was just questioning and that the youth "Don't come any closer, copper."

REGIONAL GOVERNMENT COMPLEX & CONFUSING

Last Wednesday, representatives from all the municipalities between Toronto and Hamilton, and as far north as Orangeville, met with the Municipal Affairs Minister, Darcy McKeough, at Queen's Park.

The purpose of this meeting was to discuss a TENTATIVE proposal regarding the union of two counties, Peel and Halton, to form a strong single unit of regional government.

Mr. McKeough hoped that this proposal would be a basis for future negotiations and that through future discussions, an agreement could be reached within a year.

To simplify the complexity of the proposal, The Review has condensed the information to give the readers a "lay by lay" report, since they play a large role as voters in a future election which will be forthcoming once the plans have been streamlined and given full approval by all municipalities concerned.

HOW IT STARTED

In July of 1965, the Local Government Review Commission was established. It was their function to look into the local municipal government picture and to submit recommendations as to what form of government was most suited to that region. It was the LGRC's recommendation that the area be divided into separate rural and urban regions. This suggestion was unanimously rejected by area residents.

THE NEXT STAGE

The government then went to sources such as: The Select Committee on the Municipal Act and Related Acts, the Smith Report on Taxation, and the Select Committee Report of the Legislature on the Smith Committee Report (Sounds complicated already).

From these studies, the department of Municipal Affairs felt the necessity to redesign the institutions of local government in the province and this will be done on the basis of urban-centred regions that will cover BOTH urban and rural areas.

WHAT A REGIONAL GOVERNMENT SHOULD BE

- Responsible for Assessment
- Tax billing
- Capital borrowing (including hospital construction)
- Health and Welfare
- Planning
- Regional Parks
- roads, recreation, water and sewer projects
- garbage disposal
- Police and Fire protection, Mr. McKeough felt, should be left to that unit of government best suited to administer them.

WHY ONE

NOT TWO UNITS

Peel and Halton have similar adequate financial bases, similar patterns of land use and the fact that no single area would dominate the region.

REPRESENTATION

BY POPULATION Mr. McKeough's proposal would embrace a 900 square mile area

with a population of 400,000. (Toronto has about 300 square miles with a population of just under 2,000,000). He foresaw 6 or 7 local units of government depending on Burlington's status (Burlington has recently applied for City status). Representation on the Regional Council would be one for every 20,000 population. Terms of office would be for 2 years.

Map locates two counties to be combined.

"GHOST OF 'FAMILY COMPACT' " SAYS MARY FIX

BY Irene Gabon

Following Darcy McKeough's "proposal" for a regional government merging the counties of Peel and Halton, former Reeve of Toronto Township, Mary Fix stated that history was repeating itself.

"At the beginning of the last century, we had York, Peel and Ontario Counties thrown together by Lt. Gov. Simcoe. This arrangement worked out so poorly that it ended in a rebellion led by William Lyon Mackenzie in 1837." The fight against the Family Compact (the small group who controlled the affairs of the "province" at that time) was won in 1857, causing the three counties to split in 1857 and form their own "Regular Government".

Mrs. Fix believes that a government can become too remote from the people, in which case, democracy is lost and apathy ensues. "It has been said by much more learned people than myself that once apathy ensues, the volcano of violence is becoming activated beneath the apparent quiet."

"Regional Government", she added, "is a very loosely thought out scheme, being imposed from above on municipalities such as Mississauga and Brampton, which have become the leaders in Ontario in successful development. My feeling is that after 17 years of carefully planned effort in residential and industrial development to bring about a healthy growth, the rather CONFUSING proposals coming from on high, seem likely to disrupt for several years, that successful development."

To Mary Fix, a tireless, public servant for many years, this is merely another tier of government and her only criticism of the present state of affairs is that "we already have too much government, rather than too little."

"It appears to me that the Ghosts of the Family Compact are coming out of the woodwork at Queen's Park rather than the youthful champions of the future for whom we had hoped."

"Cross the bridges when we come to them"

Fire Chief Miller

Under the Regional Plan, the Fire and Police services in the regions would have to "be allocated to the level of government which can best administer these services".

In an interview with The Review, Fire Chief Joe Miller of the Mississauga Fire Department felt that "there is no problem whatsoever."

"I feel that the Fire Department in Streetsville and Port Credit is on vacation until next week. Police Chief Garnet McGill was not available for comment. He is on vacation until next week."

AREA 1

Population 135,000
Reps: 7

The existing Town of Mississauga south of the Derry Road, plus the towns of Port Credit and Streetsville. Part of Oakville is added to this area.

AREA 2

Population 69,000
Reps: 4
Chinguacousy, Brampton and Toronto Gore. Includes also part of Mississauga north of the Derry Road.

AREA 3

Population 18,000
Reps: 1

Townships of Albion, Caledon and village of Caledon East, Orangeville and those parts of the 3 bordering townships that are in the Credit River drainage area.

AREA 4

Population 24,000
Reps: 1
Towns of Georgetown and Acton and part of the Township of Esquesing.

AREA 5

Population 12,500
Reps: 1

Milton, part of Oakville, north of Base Line part of Esqueating, part of Nassagaweya, south of County Road 10.

AREA 6

Population 54,000
Reps: 3
Remainder of Oakville not included in Areas 1 and 5.

AREA 7

Population 79,000
Reps: 4
Town of Burlington.

THE TWO-TIER GOVERNMENT

The first tier, or lower tier, would be composed of a Mayor and councillors elected by the people in a Ward system. (The wards in Mississauga, or Area 1, would have to be altered for the election). Mayor Bob Speck foresees that probably 2 members from each ward would have to be elected.

The Second Tier or the Regional Tier, would be based on a representation by population figure.

These people would be elected by "Indirect Election" i.e. the elected Council would appoint their Regional representatives on a rep by pop basis. Mississauga would have 7 men on the Regional level.

THE CHAIRMAN

The Head of council for each Regional government unit Mr. McKeough suggested, be appointed by the Ontario government.

The Regional Council can decide after the first term of office (2 years)

a suitable procedure for the election of a subsequent chairman.

And that's what it's all about! Fourteen pages and two maps that are slightly confusing.

Mississauga Council (as well as councils from all other municipalities outlined in the proposal) have 30 days in which to select representatives who will meet with Mr. McKeough at Queen's Park, to discuss this very vital matter.

And for us here at home it spells just one thing... Another ELECTION!

New legislation on motorized snow vehicles

Ontario's new legislation, governing the operation of motorized snow vehicles, which became effective last November 1, has now been amended to permit the operation of these vehicles on all King's Highways, except freeways.

On those King's highways, where operation of motorized snow vehicles was previously prohibited and is now allowed, they may not travel on the actual roadway - that part of the highway that is ordinarily used for vehicular traffic - but may travel on the shoulder or right-of-way, provided that they are operated as far away from the roadway as is practicable under the circumstances.

Before entering or crossing one of these roadways, the vehicle must be brought to a complete stop, and, before entering the roadway, right of way must be yielded to all oncoming traffic which constitutes a hazard. The crossing must be made at an angle of approximately 90 degrees.

Previously motorized snow vehicles were not permitted to travel along or across any King's Highway other than those listed in specified schedules. On those highways listed in the schedules, the vehicles may still be operated on the roadway. Freeways where operation of motorized snow vehicles is still prohibited are: Ottawa Queensway, Queen Elizabeth Way, Highway 27 from the Queen Elizabeth Way to Highway 7 and Highways 400, 401, 402, 403, 405 and 406.

Operators of these vehicles must still obey the rules of the road and other requirements spelled out in the original legislation.

For highway operation, the operator must be insured under a motor vehicle liability policy and the owner is required to produce evidence on request - it is not necessary to have a driver's license but the operator must be at least 16 - the vehicle must have at least one white or amber light on the front and one red light on the back, at any time when lights are required.

On or off the highway, the vehicle must be registered and carry a licence plate on the front.

RECREATION TIPS

From the reports on snowmobile accidents and fatalities that are arriving almost daily at the Ontario Safety League, one fact is obvious; a high percentage of these accidents occur while snowmobiles are being operated on public thoroughfares, and frequently involve collision with automobiles both parked and moving.

The league claims there are two main reasons for this type of accident. Snowmobiles are designed for travel on snow which the skis and track of the machine can bite into making control comparatively easy and definite. On ice-covered or hard-packed snow surfaces found on most roadways where it is possible to operate a snowmobile, these machines are very difficult to control in all aspects of their operation; stopping, turning, or even accelerating, and at higher speeds they become practically uncontrollable.

This accounts for the number of snowmobiles which have run into parked cars. The second aspect of a snowmobile which makes it dangerous to operate on roadways where automobiles are travelling is its size. It is difficult for a car driver to even see a snowmobile in many instances and therefore extremely dangerous for the snowmobiler.

After considerable research on motorized snow vehicles and test driving them over the past five years, it is the considered opinion of the Ontario Safety League that snowmobiles should not be operated on public thoroughfares where a dangerous conflict could occur with automotive traffic.

Snowmobiling has caught on as one of Canada's fastest growing and most popular winter outdoor activities, and the Metropolitan Toronto and Region Conservation Authority, recognizing this trend, has developed snowmobile trails in three of its conservation areas. Devotees of the sport, such as the pair shown above, can find ideal facilities at Cold Creek, Albion Hills and Green-

wood Conservation areas. A variety of winter activities are available to the whole family in the seven conservation areas open during the season including Black Creek, Boyd, Heart Lake and Bruce's Mill - all of them only a short distance from Metro Toronto. Information on conditions and locations may be obtained by telephoning the Authority offices at 889-5425.

Scout

News

The newly appointed Chairman of the Peel Central District Scouts Ladies Auxiliary, Mrs. Frances Leiss, announced the forthcoming Valentine's Dance to be held Friday evening, February 14 at the Galaxie Club, Oakville. With the assistance of the Group Ladies Auxiliary members, this Grand Valentine Dance promises to be an outstanding social event with the music provided by Nick De Rooy and his orchestra commencing at 8.30 p.m. Mrs. Leiss informed the Camp Site Committee that all proceeds from the evening will

be donated to the fund. Please arrange for your tickets early from any Ladies Auxiliary member or Mrs. Leiss, and thus ensure the success of this worthwhile project.

At a recent meeting in Cooksville Scout Hall the Scouters of Peel Central District presented an engraved silver tray to retiring District Commissioner Robert G. Smith of

Streetsville. The tray was presented by Assistant Cub Master Mrs. Ladner who made note of the fact that D. C. Smith had served the District well during his term of office.

At a previous meeting Mr. Smith had been the recipient of a gift from the District Council. On that occasion Mrs. Alice Schueler was also honoured on her retirement from the position of Chairman of the District Committee Ladies Auxiliary.

Mrs. Schueler and Mr. Smith have been succeeded by Mrs. Frances Leiss and Mr. Ian Brod-

Mayor Bob Speck had the pleasure of officially opening the new C.I.L. distribution centre in the Airport Industrial Park, Malton on Thursday, Jan. 23, watched by D. M. Gallagher, vice-president of C.I.L. Montreal, D. I. W. Braide, C.I.L. vice-president and Orey Fidani, Architect. Photo by AL BETTS

Nursery Education Association to meet Feb. 3

On February 3 the Peel County Nursery Education Association will again be meeting, this time at 8 o'clock at Bramalea Nursery School, Dixie Road, Bramalea.

The evening will be given over to music and rhythmic expression for pre-schoolers, with the members sharing their ideas and favourite songs and games. There will be displays of records, music and rhythmic activity books and simple and easily made rhythm instruments suitable to the pre-school age group.

Visitors are cordially invited and for further information and directions please phone Ivy

Brown, 278-0313.

The previous meeting of the Association dealt with the subject - Discipline for pre-schoolers. The meeting was headed by Mrs. Jean Stevenson, Chairman, Parents Co-operative Pre-Schools International and Field Supervisor for the Department of Social and Family Services, Day Nurseries Division. After a talk by Mrs. Stevenson on "Setting Limits for Pre-Schoolers", group discussions were held which helped those participating to understand how to handle the many forms of aggression and resistance sometimes shown by pre-schoolers.

HEALTH & SAFETY

Mainly for Mothers by Carol Hart

Treat Cold with Common Sense

Since George Washington went to bed with a neglected cold and died of complications resulting from it, man has struggled to discover a cure.

Medical science has been able to produce cures for many desperate diseases, but the cure for the common cold is still elusive, according to the Council on Family Health.

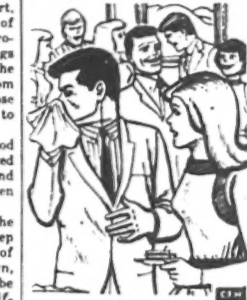

What man's ingenuity, effort, and expenditure of millions of dollars have been able to produce, says the Council, are drugs and medicines to alleviate the symptoms. These can range from a minor sniffle and stuffed nose to a disabling illness similar to influenza.

The adult with average good health can expect to be bothered by three or four colds a year, and children can expect to have even more.

Although there is no cure, the common cold is no longer the deep mystery it was in the days of George Washington. It is known, for example, that colds can be caused by as many as 100 different viruses. Fresh colds are known to be more contagious than older colds, and it is expected that a cold will last from four to seven days.

The Council on Family Health suggests you treat a common cold with common sense. Start at the first cold symptoms, before they become more serious. Get sufficient sleep and plenty of rest. If the cold does not respond to treatment after several days, and the patient seems to feel no better, the doctor should be consulted. As one doctor has stated, "all that sniffles is not a cold."

Cover coughs and sneezes to protect others. Keep all eating

and drinking utensils separate from those of the rest of the family. Keep all linens, towels and other personal items away from those of other members of the family. And wash your hands frequently. A good idea is to keep the home at a moderate temperature during the winter months. Studies show that people are more susceptible to colds during the winter months when rooms are kept too hot. The lower humidity causes dry nose and throat. The nose, throat and lungs work best when the air you breathe has a relative humidity, or moisture content, of about 45 percent.

Signing Ceremony In South Peel Ratifies \$88 Million Project

The official signing of agreements last month between five South Peel municipalities and the Ontario Water Resources Commission has cleared the way for the development of a massive \$88 million water supply and sewage system in the area. The cost figure is estimated to cover the initial 20-year period of construction. The signing took place in the council chambers of the county of Peel in Brampton.

The scheme - the largest ever undertaken by OWRC - will supply treated Lake Ontario water to the towns of Mississauga, Port Credit, Streetsville, Brampton and the southern portion of the township of Chinguacousy and accept sanitary sewage from each municipality for treatment and disposal. Local service will continue to be provided to citizens of each municipality by their present water and sewage authorities.

The projects are being financed via a provincial plan,

under which the municipalities will pay for the services on the basis of use only. OWRC will own and operate the systems on behalf of the Province of Ontario.

The area to be serviced by the water supply and waste disposal plans covers some

ENGINEER-MANAGER of the project, A. L. Thomas, checks small-scale map of the system.

480 square miles, running from Oakville on the west to the Metropolitan Toronto boundary on the east and extending about 20 miles inland from Lake Ontario.

Water supply will be faci-

litated by an interconnected system of provincially owned reservoirs and pumping stations. The initial source of supply will be the Lakeview Water Purification Plant, in Mississauga, but if conditions warrant, the plans include the construction of a second filtration plant.

Sewage will be conducted to two existing sewage treatment plants at Clarkson and Lakeview which will be enlarged in stages as required. OWRC operation and management of the combined system will begin six months from the official signing date.

Gore and Storrie Ltd., consulting engineers, and Canadian British Engineering Consultants Ltd., have been engaged as prime consultants to the Commission in the further development of the water works and sewage works programs, respectively. The direct administration of the project will involve an engineer-manager attached to OWRC.

ROUND TABLE APPROVAL: South Peel officials and OWRC management circulate documents ratifying development of \$88 million water supply and sewage system. Signing took place at Peel council chambers in Brampton.

Gash in calf doesn't stop skating win

Donna Taylor - one-half of the Lennie-Taylor skating team hurt her leg in practice Monday night JUST before the Canadian Figure Skating Championships began at Maple Leaf Gardens.

The injury did not impair the 17-year old's chances and she and her partner Bruce Lennie of Weston skated their way to the Senior Dance championship.

After the competition Miss Taylor went to the

hospital and had several stitches to close the wound in her leg.

Miss Taylor is a grade

13 student at Gordon Graydon Secondary School, and next on the team's skating agenda

is a trip to Berkley, California for the North American Champion-

ships on February 6, 7 and 8. Following that they will be in training for the world Champion-

ships to take place in Colorado Springs on February 26 - March 2 inclusive.

C.W.L. Sponsors Public Speaking Contest

St. Patrick's Council C.W.L. held the January meeting in the Parish Hall. Mrs. J. Scanlon presided.

Several new members were welcomed by the President. Reports

were submitted, and items of business discussed. Mrs. Irene Gabon outlined plans for the oratorical contest sponsored each year by the local Parish Council. The pupils competing

attend the St. Thomas More School. The winners of this competition will compete with the winners from other sections of Peel County at a later date.

Rev. Father Smyth of Queen of Apostles Retreat House gave an interesting address on the spiritual benefits to be achieved from a Retreat.

Mrs. G. Sterling was in charge of the pro-

gramme. Mrs. Gabon asked that the tickets for the draw be returned early in February. The proceeds from this sale will go into the local Scholarship Fund.

An interesting film about Canada will be shown at the February meeting.

Mrs. L. Cahill and her committee served refreshments. The meeting closed with prayer.

PAPER DRIVE

The Meadowvale Cub Pack will hold a Paper Collection on Saturday, February 1. Residents of the area are asked to deposit their used newspapers at Perry's Transport, Britannia Rd. W., between 10 a.m. and 4 p.m.

700 Attend Conference

The Conference of Women held last week in Port Credit Secondary School was an unqualified success, with over 700 women in attendance.

The Conference was sponsored by the Applewood West Area of the South Peel Hospital Auxiliary, in co-operation with the Ontario Department of Traffic and Development. Mrs. Gloria Johnson is convener of Applewood West area. Mrs. June Greene is president of the Hospital Auxiliary.

The auditorium stage was ablaze with colour from 125 giant paper flowers made by Applewood West members - and displayed in containers provided by Stavebank Florist.

The decorative stage made a colourful setting for the beautiful fashions displayed. Fashions which proved beyond a doubt that Ontario designed clothes can match imports any time - any place!

Injury Accident

On Wednesday, January 22 at 8:10 p.m. Prov. Const. Don Doynson OPP Port Credit investigated a personal injury M.V.A. on the Q.E. Way westbound on Credit River Bridge. A Port Credit family was injured. Howard Adams age 45 of 844 Caldwell, Port Credit, his wife Christina Adams age 43, daughter Margaret age 15 and sons Kevin age 7 and Shelly 11, were all taken to South Peel hospital with head injuries. The other driver, Ronald Bellamy age 44 of Toronto was also admitted to South Peel with head injuries. Charges are pending. Total damage was estimated at \$2500.00.

TAXES - The Culprit

All reasonable people recognize that prices have to go up on occasion. This is likely true of the request for increased rates now being presented to a government commission by Bell Canada. The company must consider it has good arguments or it wouldn't be asking.

The public is apt to forget that when a company needs X dollars to operate its business, it sometimes has to raise its prices by twice that

amount, the reason being that the government tax man is waiting for his share of the increase. In the case of a company in the corporation tax bracket of the telephone company, the government will probably rake in about half of any increase allowed.

Lower tax rates and less spending by government would do more to lower prices (all prices) than anything else.

Will present "Never Too Late"

The Credit Valley Dramatic Society moved into the new clubhouse at Park and Rosewood in Port Credit late last year and members have been hard at work since as they paint, install heating, replace windows and generally spruce up for use.

They are also well into rehearsal for the February production of -

"Never Too Late" - an uproarious contemporary comedy by Sumner A. Long which they are presenting for your entertainment in the auditorium theatre of the Port Credit Secondary School on February 21 and 22.

On Sunday, Monday and Tuesday evenings, fortified by hot coffee, an enthusiastic work crew thoroughly enjoy

the hilarious rehearsals as Director Roy Whit- sed puts the cast through their paces.

This play promises to be one of the group's funniest productions and features the talents of Sheila Tennant who won a "Best Actress" award in 1968, Veteran John Cloke, John Hall and a bright newcomer Irene Russell, together with

an extremely versatile supporting cast.

This production by the Credit Valley Dramatic Society is being sponsored by the UWC of Port Credit with proceeds of Saturday night's performance going to their Scholarship Fund. Tickets for Friday night - please call 278-3782 and for Saturday night - 278-1545.

That controversial "harvest" of the lumber in Algonquin Park will be the subject of a speech here on Monday, February 3 in the Port Credit Legion Hall. The meeting will start at 8.15 p.m. and Bill Hueson, who has served as a District Forester, a Regional Forester and as Superintendent of Algonquin Park, will show films and discuss the logging operation.

The meeting, sponsored by the South Peel Progressive Conservative Women's Association, will also include the Annual Meeting and Election of Officers.

It will be preceded from 6 - 7.30 p.m. by a Sherry Party, and dinner from 7.30 - 8.15 p.m.

BEWARE!

WIG PROMOTER MOVES INTO TORONTO AREA

Many Toronto and area residents are receiving small post cards from a firm known as Win A Wig Club of Newmark, N.J., U.S.A., which has as its "sponsor" Revonda's Wholesale Wigs of Philadelphia, Penn. This card informs the recipients that he or she has won a free human hair piece and that all they must do is send \$2.95 to the firm to cover the cost of "styling" this "free" wig.

Win A Wig Club is a subsidiary of Revonda's Wig and Styling, which is owned by one Elliott Nathaniel Scott, who has been prosecuted and found guilty on many counts of mail fraud that have come about through his previous wig promotions. He is presently on \$5,000.00 bail while an appeal is being made.

The Better Business Bureau of Metropolitan Toronto Inc. urges all recipients of such offers to ignore them completely, since Mr. Scott is known to have taken approximately \$300,000.00 from the American public in his previous wig promotion. At times, wigs have been delivered however, their estimated value has been placed at approximately \$1.00 and none, to the best of our knowledge, have been made of "human hair".

Q.E. WAY -

Highway was re-constructed east of Highway 27 and re-opened in its present condition in 1968. It now consists of three core lanes and two collector lanes, giving access to Islington and Kipling Ave. both for east and westbound traffic.

During the morning and evening rush hours when traffic reaches a peak it has become a common habit for some motorists to leave the core lanes and drive on the collector lanes, merging again into the core lanes. This - particularly noticeable in the morning eastbound. It becomes quite obvious that the subsequent

merge into the core lanes only compounds the already difficult congested traffic problem and certainly is a use that collector lanes are not intended for.

Good driving habits assist in the orderly movement of traffic and the above bad habit which gains nothing and delays everyone should be discouraged and certainly not practiced.

Make Courtesy one of your Rules of the Road. INQUEST -

On November 21, 1968 Bernardino Alves was eastbound on Q.E. Way in passing lane, lost control, swerved into the centre median striking guide rail posts, rolling over and striking bridge abutment. Mr.

Alves was killed in this accident and as a result an inquest was held at 86 Lombard St. Toronto on January 22 into his death.

The Jury returned the following verdict: "We the Jury find from the evidence submitted that Bernardino Alves came to his death from injuries received in an accident with a Corvair automobile driven by the deceased at the Grand Avenue Overpass of the Queen Elizabeth Highway on November 21 at approximately 2.30 in the forenoon, the responsibility for which can be placed nowhere but on the driver himself, the evidence indicating perhaps a combination of:

- (a) Fatigue due to long working hours
- (b) Inexperience in driving this type of automobile
- (c) Excessive speed only considering (a) and (b) above as contributing to his death."

HIGHWAY #27 -
The Port Credit Detachment of the OPP patrol Highway 27 from the Q.E. Way to Highway #7. During the week of the 19 to 25 of January, between Q.E. Way and Belfield Road, a distance of 6.2 miles, there were 11 property damage accidents, 1 personal injury accident with 1 person injured and total damage of \$6,105.00. Most of the accidents were of the rear-end type.

How much room is there between your vehicle and the one ahead? It's your LIVING room!
